GENERAL NEWS.

The Yellow Fever.

MEMPHIS, July 31.—Five new cases were reported to the board of health this morning, four of whom were colored. Three deaths have occurred, Brooks Wilson, a telegraph operator, Michael Athey, brother of Chief Police Athey, and C. S. Forbes. The latter, resides beyond the corporation line. The wife of Chief Police Athey was stricken with the fever last night, at Raleigh, Tenn. His daughter is in a dying condition. The weather is clear and warm, which is favorable to the spread of the fever.

ST. LOUIS, July 31. The negro who died at 712 Washington street night before last, is now ascertained to be Julius Scales, of Memphis. There is no longer any doubt that his death was caused by yellow fever. Hanselston, a Swede, who arrived here from Memphis ten days ago, has been sent to the quarantine hospital as a suspicious case.

NEW YORK, July 31.—Bartholow Mckeon, fireman of the steamer Meridia from Havana, died from yellow fever at the quarantine. A. F. Reith, a barber of the steamer Saratoga, died last night. One patient is still in the hospital.

MEMPHIS, July 31. At a large meeting of colored people held to-day at noon, at Cochrane Hall, resolutions opposing the removal of blacks to camp and their determination to appeal to absent merchants for assistance, was adopted. Sentiment is growing strongly against the camp scheme.

MEMPHIS, July 31. Four more cases were reported to the board of health this afternoon. One additional death has occurred, H. Duprait, residing six miles from the city. At a meeting of the Howard association this afternoon, four physicians were placed on duty to attend the sick. About 100 poor people have gone into Camp Marks. A storm from the southeast threatened.

NEW ORLEANS, July 31. The board of health adopted a resolution deprecating the enactments of severe quarantine regulations against this city and expressing the opinion that there is no reason for alarm and hoping that soon the places and cities that have through great prudence put up quarantine bars will feel it in their power to take them down and allow the business of the country to proceed.

LITTLE ROCK, July 31. The health officers of Colburn sent to Grant Glaize to explain to the people that the quarantine building proposed there is for the detention of suspected people, transfer freight, etc., and not for a pest house, returned this morning, and report the Grant Glaize people unreasonable and willing to fight rather than allow the erection of the building. Dr. Colburn says it was with difficulty the intelligent people could prevent riot and the destruction of the railroad property. A man came down from Charleston, Mo., to Poplar Bluffs without permission. Dr. Jones and the people threatened to hang him if he didn't get out. It was determined to send him back on a freight train, but he took to the woods.

Saratoga Races.

SARATOGA, July 31. Bramble won three-fourth mile dash, Anna Augusta second, Oriole third, with Gabriel close up. Bonnie Wood was the second favorite. Time 1:17¼.

Sequel stakes were won by Rochester, Balward second, Lulu third. Wilful was the favorite but broke down. Time 3.13¾.

The mile and eighth race was won by Vagrant, Sunlight second, Mantilla third. Time 2.01¾.

Not Popular.

LITTLE ROCK, Ark., July 31. Twenty-three criminal cases, pending in Chicot county for several years, growing out of the murder of one Saunders by a negro mob, have been nolle pressed by the state's attorney. The facts were presented, demanding trial, and posted against dismissal, but the judge dismissed all the cases upon the assurance of the state's attorney that owing to the state of public mind in Chicot, a majority of the population of which is negroes, conviction is impossible.

Railroad Sold.

GALVESTON, July 31.—A News special from Austin says the International and Great Northern railroad was sold to-day for a million dollars. It was bid in by George Sealy of Galveston, representing Kennedy & Sloan of New York, trustees for the bondholders.

Jail Break.

LOUISVILLE, July 31.—A Frankfort special to the Courier-Journal says that at a little after 5 this morning the citizens of Frankfort were aroused from their slumber by the rapid firing of small arms, and the loud clamor of voices. Some fifteen or twenty shots were heard in rapid succession, and loud shouts, indicating another exodus from the black hole. Those who got to the windows or doors early enough were witnesses to the escape of five men from the penitentiary. They were seen coming down a rope from the west wall. They reached the sidewalk and paused a minute, then struck out toward the hills. The hung was from the guards inside and on the wall. The last man to come down the rope was apparently wounded, but he struck out with animation and managed to keep up with the rest until hidden in the undergrowth of the hill path. A large party was soon in pursuit, and before 7 o'clock three of them were returned to the prison. The plan of escape was well laid and well executed. But for the vigilance and promptness of the attaches of the prison all of them would have escaped.

A Sad Accident.

OSWEGO, N. Y., July 31. Two steam yachts lashed together and containing a pleasure party had not proceeded more than twenty rods from the dock when the head lashing loosed, and one yacht capsized and sank, drowning Mrs. Dwercelet, of Binghampton, Mrs Sarah Bostwick, Mrs. and Miss Burkelow, of Kirkwood, and Miss Hattie Pollock, of New York.

Murdered

HEMPSTEAD, July 31—R. R. Booth, ex-county attorney, was shot and instantly killed last night by R. T. Springfield. The murderer is at large. Two sheriffs' posses are pursuing.

Cleveland Races.

CLEVELAND, July 31. In the postponed pacing race Lucy won the fifth heat and the race in 2:16. Mattie Hunter second, Sleepy Tom third, Rowdy Boy fourth.

Rarus was an easy winner of the open to all race in three straight heats.

The 2:24 race was exciting, Alley having sold as favorite in the pools last night and this morning, Rose of Washington being second choice. The race was won by Whitney's Lida Bassett, hard pushed by Charley Ford and Red Lion. All acted badly, and broke several times in each heat.

McDowell's four year old Kentucky colt, Trinket trotted a half mile on the track to-day in 2:18¼.

Summary of the Cleveland club races, third day: 2:24 class; purse $2,000; divided:

Lida Bassett	5	1	1	0	1
Charley Ford	1	4	2	6	3
Rose of Washington	2	2	3	5	5
Red Lion	4	3	4	3	2

Time—2.22, 2.20½, 2.21, 2.20¼.

Open to all class; purse $3,000, divided

Coinage.

WASHINGTON, D. C., July 31.—The mint at Carson City has been reopened and coinage will be recommenced as soon as the necessary bullion can be procured at market rates. The New Orleans mint is running at its full capacity with plenty of bullion on hand. Much of the bullion purchased there has been in the form of Mexican dollars. The treasury is making an arrangement to avoid the necessity of running the Philadelphia mint night and day during August to make up the deficiency in the coinage of standard silver dollars for the present month.

FOREIGN.

French Chamber of Deputies

PARIS, July 31. The extreme left in the chamber of deputies yesterday abstained from voting when the estimate for salaries of bishops was submitted. As less than half of the chamber voted, the vote was unannounced. The object is to coerce the senate into passing a bill under pain of seeing ecclesiastical salaries stopped. The senate refered the bill for raising the Tuileries ruins to new committee, but no one appointed sometime ago to consider the question of reconstructing that building.

Cost of the Zulu War.

LONDON, July 31. In the house of commons to-day the chancellor of the ex-chequer stated that the government proposed to ask a vote of £3,000,000 on account of expenses of the war in South Africa, which sum, if not sufficient, would at all events suffice for expenses until the next session of parliament. The new credit thus asked for will raise the expenditures for the Zulu war £4,500,000. The chancellor of the ex-chequer stated that the new credit would transform the surplus estimated at the introduction of the budget into a deficit of £1,163,000. He said the government hopes to recover the sum from the South African colonies, and would ask authority to raise the remainder by ex-chequer bonds.

Goodwood Cup.

LONDON, July 31.—Isonomy won the Goodwood Cup. Bear 2d, Parole 3d.

Rain fell in torrents in the morning and many racing men who never failed to see the cup run for, were appalled at the deluge and relied upon the newspapers for a full account of the contest between Parole and Isonomy. The heavy rain ended some time before the race begun. The American colony was well represented. John Porter, who was at the stable of Isonomy, said he had given the horse special training, that his strength had greatly increased of late and that he looked upon him as positive winner of the cup. Betting before the start was 4 to 1 against Parole.

German Compromise With the Pope.

ROME, July 31.—The final decision of the German goverment on religious questions at issue with the Vatican, has been communicated to the latter. It is as follows:

All of the exiled clergy who ask permission will be allowed to return to Germany, many laws will be tacitly suspended, provided the clergy obey the common law, and all fresh nominations are to be submitted to the government. The Pope is satisfied with these terms.

Northwestern leading upward movement. During the morning there was a reaction in coal stocks and showing most weakness. Toward the close there was a renewed activity for granger share and trunk line, and in number of instances prices made in closing dealings were not only the highest of the year but the highest for many years past. The basis for this marked confidence is especially in western stocks and confirmed favorable advice from the west in regard to the harvesting of wheat in fine condition and the prospects of a large yield and a certainty of a heavy demand from Europe for our surplus cereals.
